Camera Rollpak

Sachtler Bag Rollpak for Cameras and Accessories with built-in Wheels

SKU: SC302

The Camera Rollpak combines the portability of both a backpack carrying system with the convenience of built-in wheels and trolley. Ultra wide U opening for rapid access. Protect your camera with microphone, viewfinder and accessories attached. Sliding Pipe System (SPS) secures and protects your delicate equipment. Safeback ensures maximum carrying comfort and optimum load distribution. Ergonomic backpack system with padded carrying handle. Four removable internal rigid dividers for custom configuration. Rear compartment holds laptop up to 17" screen. Polypropylene-injected legs lift and safeguard bottom of bag from damage. Exchangeable logo frame for personal branding. Built-in Trolley system for quick transport.
